

## **LIST OF VIDEOS FROM PANORAMAS**

### **Canopy in the Clouds Team**

Below is a list of all the videos and photos embedded in the interactive panoramas. We hope that this will allow you to easily access topics pertinent to your classroom. If you are short on time, check out our favorites below.

#### **Panorama #1: Low Elevation Forest**

- 1) Site Introduction
- 2) Soil Sampling Introduction
- 3) Science of Soil
- 4) Why Spines?
- 5) Dry Leaves and Decomposition
- 6) Science of Leaf Toughness
- 7) Leaf Cutter Ants At Work

#### *In The Canopy*

- 1) Wind in the Trees
- 2) Howler Monkeys Feeding
- 3) Succulent Leaves

#### **Panorama #2: Mid Elevation Forest**

- 1) Site Introduction
- 2) Soil Sampling Introduction
- 3) Through the Site
- 4) Light in the Forest
- 5) Underneath the Rotting Log
- 6) Plant Spine Description

#### *In The Canopy*

- 1) Light in the Canopy
- 2) Identifying Plant Species
- 3) The World's Most Beautiful Bird
- 4) Fuzzy Leaves
- 5) Epiphyte Diversity

#### **Panorama #3: High Elevation**

- 1) Site Introduction
- 2) Soil Sampling Introduction
- 3) Through the Site

- 4) Climbing Trees
- 5) Fallen Debris and Decomposition
- 6) Metallic Beetles
- 7) Pollination: Hummingbirds and Flowers

*In The Canopy*

- 1) Microclimate and Plants
- 2) Soil in the Air
- 3) Hemiepiphytic Plants
- 4) The Leafy liverwort
- 5) Strange Plant

**Panorama #4: Elfin Forest**

- 1) Site Introduction
- 2) Soil Sampling Introduction
- 3) The Canopy's Close!
- 4) Leaf Litter Frog
- 5) A Filmy Fern?!?
- 6) A View from the Top

**Panorama #5: Atlantic Slope**

- 1) Site Introduction
- 2) Soil Sampling Introduction
- 3) The Science of Wood
- 4) White-faced Capuchins

**Panorama #6: Remnant Tree**

- 1) Site Introduction
- 2) Time Lapse

*In The Canopy*

- 1) Remnant Trees
- 2) Orchid
- 3) Bromeliads

**Panorama #7: Light Gap**

- 1) Site Introduction
- 2) Wet Season Panorama
- 3) Through the Site
- 4) Fast Growing Plant Species

## 5) Weather Time Lapse

### **Our Picks**

Panorama #1 Ground: Leaf Cutter Ants (link #7)

Panorama #1 Canopy: Howler Monkeys (link #2)

Panorama #2 Canopy: The World's Most Beautiful Bird (link #3)

Panorama #3 Ground: Climbing Trees (link #4)

Panorama #4 Ground: The Canopy's Close! (link #3)

Panorama #6 Canopy: Remnant Trees (link #1)
